

# **PLEASE, ANNOUNCE TO YOUR STUDENTS**

Due to financial cut-backs, the Department of Spanish & Portuguese is trying to cut back on paper and copied material, especially as concerns the traditional beginning-of-the-quarter handouts, like the syllabus, the day-by-day program, etc.

You will find all the information you need on the Spanish Language Program's website at:

**<http://www.humanities.uci.edu/spanish>**

including the listing of courses offered this quarter, your instructor's e-mail address and office hours, the Course Information Sheet (syllabus), the day-by-day program, tips and tricks, career information, links to LARC, the Testing Service, UC's EAP and IOP programs, our very own Summers in Alicante program, etc., etc.

All the information on that website is continuously updated as new data presents itself, and, like the UCI General Catalogue, is to be read like a binding contract between you and your instructor.

In addition to the info on that website, your instructor will go over the syllabus with you on the first day of classes, step by step, just in case you should have any questions.

## **HAVE A GREAT QUARTER!**
