

AFRICANS AND AFRO-DESCENDANTS ON THE EDGES OF COLONIAL SPANISH AMERICA

**THURSDAY, FEBRUARY 1 | 3:30-5:00 PM
IN PERSON @ HIB 135**

Join contributing authors to the edited volume, *At the Heart of the Borderlands: Africans and Afro-Descendants on the Edges of Colonial Spanish America* edited by Cameron D. Jones and Jay T. Harrison (Albuquerque: University of New Mexico Press, 2023) for a discussion on how people of African descent contributed to the formation of frontier spaces. Socially mobile and leaders of borderlands societies, Africans and their descendants also resisted Spanish imperial power.

Cameron D. Jones, Cal Poly San Luis Obispo
