Paragraph Completion
(Intermediate)

Context     Personal appearance

Function    Description

Purpose     This task is designed to aid writers at the Intermediate level in improving their ability to describe someone in detail.

Student Task  Students, writing in Spanish, use their imagination to complete the description of the person in the photograph below.

Mr. García was a ________________, ________________ man with ________________, ________________ hair. He had ________________ eyes and wore a ________________, ________________ beard. He was a very ________________ man who thought a lot about ________________. That morning, he seemed ________________ because he ________________ ....
