TEST APPROVAL FORM

Enclosed is the next (proposed) test for the class we're teaching. **Look it over very carefully** to make sure everything on the test (vocabulary, structure, reading, etc.) actually corresponds to the chapter(s) we've studied in class. Feel free to make any suggestions you feel appropriate.

Once you're done reviewing the test, please **put it back in my (the principal preparer's) mailbox** immediately so that the next person on the list can add his/her input.

Under no circumstances is the exam ever allowed to leave the third floor of HH!
