

**Department of Spanish and Portuguese
University of California, Irvine**

Presents

“The Other and the Neighbor as a Topological Problem: Matt 19:19 in a
Shanty Town.”

A Public Lecture in Spanish by
Flavia Soldano

Flavia Soldano is a practicing psychoanalyst and professor of clinical psychoanalysis at the Universidad Tres de Febrero in Argentina. She writes regularly on biblical studies, area in which she completed an M.A. She has edited volumes on biblical and classical studies; and is the author of two books of poetry “Matadura del Rayo”(2012) and “Pampa Stalingrado” (2016)

This presentation is free and open to the public. Please notice that although the title we were provided is in English, the talk will be in Spanish

**Thursday, November 17, 2016
Humanities Hall 344
4:00-6:00 pm**
