

# STRANGE COCKTAIL

TRANSLATION AND THE MAKING  
OF MODERN HEBREW POETRY

ADRIANA X. JACOBS

For centuries, poets have turned to translation for creative inspiration. Through translation, poets have introduced new poetic styles, languages, and forms into their own writing, sometimes changing the course of literary history in the process. *Strange Cocktail* is the first comprehensive study of this phenomenon in modern Hebrew literature. Professor Adriana X. Jacobs will discuss her findings and share the riches of modern Hebrew poetry in this lecture, reading, and discussion.
