

Enroll in Spring 2020 Chinese 100C Classical Chinese

- This course is the third quarter of the introduction to classical Chinese. Basic, syntactic patterns of the language were stressed during the first quarter. During the second quarter, building on the foundation of basic, syntactic patterns, Zhuang Zi and Meng Zi among others were examined.
- Class attendance and performance will be an important factor in determining final grades. There will be quizzes, translations, a mid-term and a final exam.

Spring 2020
