ADVANCE CONTRACT
(for registered UCI students to apply courses taken elsewhere towards UCI requirements)

INSTRUCTIONS: This petition cannot be filed earlier than one year in advance of enrolling in courses. The student is responsible for having transcripts sent directly to the Office of Admissions & Relations with Schools upon completion of the course. If taking courses at a California Community College, you may use the website www.assist.org for guidance in selecting appropriate classes. Courses that will not transfer: (1) duplication of college credit, (2) courses that might be prerequisite to, or more elementary than, courses already taken, (3) courses that exceed credit limitations in certain applied or activity courses, and (4) credits that will increase the student’s total quarter units transferred from community colleges to more than 105.

NOTE: Credit for 36 of the 45 units immediately preceding graduation must be earned exclusively in residence at UCI.
