

Department of Philosophy: Minor Information Session

MEDICAL HUMANITIES

The educational goals of the minor in Medical Humanities includes proficiency in the application of scholarship, creative innovation, and critical reasoning of the interdisciplinary field of medical humanities. You will intergrate the insights of literary analysis into the practice and teachings of medicine.

HUMANITIES AND LAW

The Humanities and Law minor includes courses that prepare for law-related careers. The courses focus on long-term skills in critical reading, writing, and analysis, offering theoretical and applied analytical perspectives on ethical, political, and social issues.

WEDNESDAY, DECEMBER 4TH, 2019
HG 1010, 5PM-6PM

Please RSVP at: <https://tinyurl.com/Minor-Info-Session>

If you have any questions, please contact philos@uci.edu | Light refreshments will be provided.
