

Graduate Student FLAS Fellowships for Winter & Spring Quarters 2023

Applications due online by November 15, 2022, 11:00 pm

<https://ucihumanities.infoready4.com/>

CCKS welcomes applications for 2022-2023 FLAS (Foreign Language Area Studies) Fellowships for graduate students. The center will award **three** graduate student fellowships for winter and spring quarters 2023. Beginning in academic year 2023-2024, CCKS will award two academic year fellowships each year for three years. FLAS fellowships for PhD students include in-state tuition and fee coverage and a monthly stipend equivalent to a UCI teaching assistant salary (50% appointment).

Online applications will be available on Monday, Oct. 24, <https://ucihumanities.infoready4.com/>

AY 2022-2023 Timeline

Application Deadline (online):	November 7, 2022
Committee Review and Selection:	November 14, 2022
Notification of Awards:	November 16, 2022
Deadline to Accept Awards:	November 22, 2022

Eligibility for Graduate Student Fellowships:

- Must be a citizen or national of the United State or a permanent resident of the United States.
- Must be enrolled as a full-time student at UCI.
- Must be enrolled in a program that combines Korean language training with Korean studies; or be conducting research and training in the international aspects of professional and other fields of study. For the “Regular” Student FLAS Fellowship: Students must be enrolled in Korean 2A or higher in Fall 2022 and able to enroll in UCI course related to Korea during each quarter of the fellowship.
- Must show potential for high academic achievement based on such indices as grade point average, class ranking, or similar measures.

Types of Graduate Student Fellowships

“Regular” Student Award: Students must successfully complete at least one Korean language course above Beginner level and one Korean Studies course per term; or

“Dissertation Research Abroad” Award: Must be a doctoral student at the advanced level of Korean language. Research abroad projects must provide fellow with intensive training equivalent to a full academic year of formal classroom instruction.

“Dissertation Writing at Home” Award: Must be a doctoral candidate and finished with all degree coursework and research. Intended to support students as they complete their dissertations and earn their degrees.

Application Requirements for Graduate Students

- Application Form (online):
Name, Email Address, Ph.D. Program, Year, Brief Statement of Financial Need
- Three-five (3-5) page statement, double-spaced, outlining academic interest in Korea and plan of study during the grant period
- Transcript
- Curriculum Vitae
- Letter of recommendation from faculty member

Selection Criteria

Excellence in academic achievement to date, as measured by grade transcripts and letters of recommendation.

Commitment to the study of Korea as demonstrated by previous coursework, major/minor, language study, and extramural activities.

Originality and excellence of the student’s academic and research work to date, as

- measured by reports of research completed or research designs for work to be
- undertaken in the near future, and as described in faculty letters of recommendation.

Expressed future career goals particularly in either public service or academic careers connected with Korea and East Asia.

Evidence of financial need as based on university financial aid forms (applied after rankings based on academic criteria).
