BE A PART OF THE
HUMANITIES PEER MENTOR PROGRAM: Discovering Opportunities Together

Help give new freshpeople a trouble-free start to life in the Humanities at UCI and use the program to enhance your own resume and/or graduate school applications.

In Fall, the mentors take a class about mentoring in higher education which meets for an hour and a half each week. It includes discussing readings, sharing ideas for activities, producing biweekly journal entries, etc. They get 4 units of P/NP credit in the Fall and in the Winter for taking part in the program. They meet weekly for an hour with 2-6 assigned mentees and design and attend an early evening workshop each quarter.

You must leave Thursdays 2-3:20pm open in the Fall Quarter for weekly classes.
You must take part in both Fall 2018 and Winter 2019.

Are you a current Humanities major and will you have attended UCI as a Humanities major for three or more quarters by 9/1/18?

Will you be a true junior or senior with at least two years of college completed by 9/1/18?

Is your overall GPA a B- average (2.7) or better?

Do you have an interest in sharing what you know about UCI and the surrounding area with a small group of new freshpeople?

IF SO, PLEASE APPLY! APPLICATIONS DUE THURSDAY MAY 10TH, 2018!

Applications available in HIB 143 and at humanities.uci.edu/undergrad.
